

COASTSIDE WEDNESDAY NET CHECK-IN SCRIPT

1/1/2013

A few minutes before net start - "Please stand by for the Coastside Amateur Radio Club Wednesday night check in. Pause....."

Calling all radio amateurs, calling all radio amateurs, this is __*(Your Call)*__,
__,*(Your Name)*__, net control (or *Acting Net Control* if not President) for the
Wednesday night Coastside Amateur Radio Club check-in. This is a directed net.
Pause.....

This check-in is for all Coastside members, RACES members, and other interested radio amateurs. The purpose of this check-in is to meet regularly to test our communication skills through the WA6TOW repeater on 146.925 MHz, PL 114.8; and to pass any QST's, wants, swaps, and other traffic. The WA6TOW UHF repeater 441.075 MHz, PL 114.8 is linked to the WA6TOW VHF repeater and is on very low output power.

Please stand by first for the member station check-in. When checking in, indicate if you have any QST's, wants, swaps or any requests for contacts with stations checking in. Emergency or priority traffic should break in at any time."

(pause for Emergency or Priority Traffic)

"We'll first start with the lifetime members check-ins, followed the club officers, then proceed to the general membership check-ins, and then visitor check-ins.... QST's, wants and swaps will be handled after all check-ins....If you request a contact with a checking in station, please wait until the end of the net to proceed with your communication, whether on this repeater or on another frequency..... When checking in, please indicate your call sign, name and location, and if you have any QST's, wants or swaps.

<Optional passage> I would like to thank CARC lifetime member Roger Spindler, silent key, for his efforts with this club and repeater and to dedicate this evenings net to him.

We will now have check-ins from the club officers.

President..... Dave, K6DMR
Vice president.... Ralph, K6DLZ
Secretary..... Mary Ellen, AJ6J
Treasurer..... Frank, N6FG

We'll now have check-ins of members of the Coastside Amateur Radio Club starting with suffixes A - F, Alpha through Foxtrot.....(Keep announcing this until no response from this group)

Now any member stations G - M, Golf through Mike.....(Ditto)

Now any member stations N - Z, November through Zulu.....(Ditto)

Any non-member visitor check-ins?..... (Ditto)

Any late or missed member stations who would like to check in?(Ditto)

>>> Now ask for all with QST's to give them.

>>> Now give any net control QST's

>>> Now ask all who have wants, swaps or needs.

>>> Now give meeting announcements and speaker or topic information and any special events.

Are there any more late check-ins, QST's, or swaps?.....

Thank you all for checking in this evening. Remember, this check-in is on every Wednesday at 9:00 PM local time, except on meeting nights. Club meetings are held on the second Wednesday of the month at the Linda Mar fire station, Linda Mar Blvd. in Pacifica. Meeting exceptions are for Pizza Meetings, Meetings at another Club and the November Election Dinner Meeting. See your CARC Newsletter, the Club Website or listen for announcements on this net.

If you wish to donate to the repeater or to the digipeater funds which are separate from Club membership, if you wish to join the Coastside Amateur Radio Club or if you wish to contact the Club for any QST's, want's, swaps or need help in any way, address your letter to the Coastside Amateur Radio Club, P.O. Box 1106, Pacifica, Ca 94044.

There is an HF rag chew net, the "Coastside Saturday Morning Net", every Saturday morning at 9:00 am on 75 meters, 3.852 MHz or the first clear frequency up or down, with an alternate frequency especially for emergencies on 40 meters, 7.228 MHz or the first clear frequency up or down.

Also, the club sponsors a packet node or digipeater, 'PAC' on 145.05 MHz.

Last call for any more late check-ins, QST's, swaps or wants....

This concludes this evening's check-in. Thank you all for participating... 73's, __ (Call)__, __ (Name)__.”
