

COASTSIDE WEDNESDAY NET CHECK-IN SCRIPT

A few minutes before net start - "Please stand by for the Coastside Amateur Radio Club Wednesday night check in @ 20:00hrs. < pause >

Good evening, this is < call sign, name >, net control for the Wednesday night Coastside Amateur Radio Club check-in. This is a directed net. Emergency or priority traffic should break in at any time. < pause for emergency/priority traffic >

This check-in is for all Coastside members, and other interested radio amateurs. The purpose of this check-in is to meet regularly to test our communication skills through the WA6TOW repeater on 146.925 MHz, PL 114.8 and to pass any QSTs and other traffic. < pause >

We will first start with the club officer check-ins, then proceed to the general membership check-ins, and then visitor check-ins. QSTs, and other traffic will be handled after all check-ins. When checking in, please give your call sign phonetically, your name and location, and if you have any traffic.

We will now have check-ins from the club officers: President: Walt KG6EDY, Vice President: Bill N6BCT, Secretary: Tom KJ6OGL, Treasurer: Frank N6FG

We will now have check-ins of members of the Coastside Amateur Radio Club starting with call sign suffixes A - F, Alpha through Foxtrot, please come now..... (Keep announcing this until no response from this group)

Now any member stations G - M, Golf through Mike, please come now (Ditto)

Now any member stations N - Z, November through Zulu, please come now (Ditto)

We will now take non-member visitor check-ins, please come now (Ditto)

Are there any late or missed member stations who would like to check in? (Ditto)

>>> Now ask for all with QST's to give them.

>>> Now give any net control QST's

>>> Now give meeting announcements and speaker or topic information and any special events.

Are there any more late check-ins, visitors or additional traffic? < pause >

Thank you all for checking in this evening. Remember, this net meets every Wednesday at 2000hrs, except on meeting nights. Club meetings are held on the second Wednesday of the month at 1930hrs at the Linda Mar fire station, Linda Mar Blvd. in Pacifica.

If you wish to donate to the repeater or to the Digipeater funds, if you wish to join the Coastside Amateur Radio Club or if you wish to contact the Club and its activities, please visit our website at coastsidearc.org . < pause >

Last call for any more late check-ins, or traffic. < pause >

This concludes this evening's check-in. Thank you all for participating. These frequencies are now returned to normal use. 73, This is < call sign, name >."
